‘BRICKS OF LOVE’

GUIDELINES FOR ORDERING

Please fill in the blocks with the letters exactly as you would like to see them on your paver. Leave a space between names and before and after “&”. You are limited to 18 characters by the length of the brick. Spaces and punctuation are counted as characters. If you exceed this limit the brick cannot be processed. The letters will be all capitals in a font especially designed for stonework. If your lines are shorter than 18 characters, we can sometimes make the letters bigger for a better display. **PLEASE PRINT ALL INFORMATION.** Thank you. If you have any questions please call 693-9407
